## Seven Steps Towards Standards Based IEPs

1	Review the grade level content standards
2	Review classroom and student data in relation to the grade level standards
3	<ul> <li>Develop the present level of academic achievement and functional performance</li> </ul>
4	<ul> <li>Develop measurable annual goals aligned with grade level content standards</li> </ul>
5	Describe how progress monitoring will be done through the year
6	<ul> <li>Identify specially designed instruction, accommodations, accessible educational materials, assistive technologies, related services</li> </ul>
7	• identify the most appropriate assessment options
